Activation: Home Page
Home pages can be assigned at different levels:
The org default home page is displayed unless more specific assignments are made.
The app default home page is displayed for specified apps, and overrides the org default.
Any app and profile assignments are displayed for specified app and profile combinations, and they override all other assignments.
More Info
ORG DEFAULT
APP DEFAULT
APP AND PROFILE
Set this home page as the org default to display for all users unless other assignments apply.
Assign as Org Default
